Fine Quality Traditional English Furniture

The Inadam Collection - *‘for that extra special finish’*

The Inadam Collection is our exclusive ‘Deluxe’ finish that can be applied to most of our standard products throughout our catalogue.

MAHOGANY UPGRADE

We offer Mahogany items to be produced with Satinwood cross bandings on the edges as can be seen on the coffee table. For straight edge cabinets, a tulip inlay can also be applied.

YEW UPGRADE

For the Yew finish we can offer a Curl/Flame Mahogany cross banding on the furniture and again for straight edge cabinets, a tulip inlay can be applied.

Our Inadam Collection of Mahogany with Satinwood cross banding and Yew with Curl/Flame Mahogany cross banding have been very popular with our existing customers and offer an even higher quality of finish to an already beautiful quality collection of furniture. If you prefer a Tulip Inlay option only, this is also possible as on the sideboard.
